

Please don't pass off what little free-airspace we have to these greedy, gobble-up corporations! This is not Democracy, to have Monopolies Monopolize our views to their tune. This is, rather, Big Brother facing us down, and very frightening. Don't bow to money, or our President, or anything except your own conscience. What kind of world do you want YOUR children and grandchildren growing their brains in? A drugged-pabulum world? A Stepford Wives world? This is where we are arriving if you allow any more "Clear Channels," please! "Clear" like Brainwashing, is more like...Thanks for your time.
